

VOLCANO VISTA HAWKS WRESTLING

COMMUNITY SPONSORSHIP & SUPPORT

Dear Community Partner,

At Volcano Vista High School, wrestling gives students a place to belong, work hard, and pursue goals that reach beyond the mat. We are always looking for community partners who want to help create those opportunities for our kids.

We are a **self-funded public school wrestling program**. Community sponsorships and donations help our boys and girls access the equipment, training, and competition opportunities they need to grow as athletes and students.

Building a championship team takes more than practice. Our wrestlers need dependable equipment and opportunities to test themselves against strong competition. Travel to tournaments such as the **Reno Tournament of Champions** provides valuable experience and exposure to a national level of wrestling. Community support helps make these opportunities possible and reduces financial barriers for our families.

Your support can help provide wrestling gear and equipment, tournament entry fees, and travel expenses. Every contribution helps us invest in our students and build a program rooted in discipline, academic commitment, teamwork, and championship effort.

If you are interested in sponsoring the team or making a donation, please contact **Ahren Griego at (505) 331-4224**. We would be grateful to discuss how you can support the Hawks.

Thank you for considering an investment in our students and our community. Your generosity helps our kids pursue meaningful opportunities and represent Volcano Vista with pride.

Sincerely,

Ahren Griego
